

PRESS RELEASE

Following the news released today by certain media, REN - Redes Energéticas Nacionais, SGPS, S.A. (REN) hereby discloses the following information to the market and to the general public:

REN has been notified today by the Police (“Polícia Judiciaria”) to provide information, in the context of the investigation proceedings conducted by the services of the Public Prosecutor of Baixo Vouga (“Ministério Público do Baixo Vouga”), in respect of alleged agreements entered into by REN and some of the 11 companies identified in the notification. Moreover, during the afternoon, searches have been conducted in the head offices of REN.

Up until this moment, REN has only identified one company to which works concerning waste management have been assigned (following a tender proceeding). The information requested by the Police has been provided and REN is currently preparing the delivery of additional information.

Based on the information available at this moment, REN is not being the subject of criminal investigation and none of its directors or collaborators has been charged in connection with the investigation proceedings.

REN is currently considering measures that may be adopted against any persons that may have promoted the release of information with the purpose of damaging the reputation of the company and of its directors.

Lisbon, 28 October 2009.
