COMMUNICATION

In accordance with and for the purposes of article 17 of the Regulation (EU) No 596/2014 of the European Parliament and of the Council, of 16 April 2014, and other applicable regulations, REN - Redes Energéticas Nacionais, SGPS, S.A. hereby informs the market and the public of the following:

On the date hereof, REN signed a second long-term financing agreement (twelve years) with the European Investment Bank, in the amount of EUR 150,000,000.00. Like the previous one, celebrated on 22 December 2022, this long-term financing also aims to support the investment project to extend, refurbish and modernise the electricity transmission network in Portugal, and to integrate renewable energy generators into this transmission network.
