1. IDENTIFICATION OF THE TRANSACTION

On 14 August 2026 (**the "Signing Date"**), Parpública entered into a share purchase agreement with PONTEGADEA INVERSIONES, S.L., a company incorporated under the laws of Spain, with its registered office at Canton Grande 4, 15003 A Coruña, Spain (**the "Seller"**), concerning the acquisition of 91,723,676 ordinary, registered, book-entry shares with a nominal value of EUR 1.00 each, representing approximately 13.7 per cent of the share capital and voting rights of: **REN – REDES ENERGÉTICAS NACIONAIS, SGPS, S.A.** ('REN' or the **'Issuer'**), a public limited company incorporated under Portuguese law, with its registered office at Av. dos Estados Unidos da América, no. 55, 1749-061 Lisbon, registered under NIPC 503264032, with a share capital of EUR 667,191,262.00, divided into 667,191,262 shares with a nominal value of EUR 1.00 each, admitted to trading on the regulated market Euronext Lisbon, with ISIN code: PTRELOAM0008.

2. VERIFICATION OF THE CONDITION PRECEDENT

This acquisition was subject to a condition precedent, pursuant to Clause 4.1 of the Share Purchase Agreement entered into between the parties, which consists of the issuance of prior approval by the Court of Auditors, under the Law on the Organisation and Procedure of the Court of Auditors, approved by Law No. 98/97 of 26 August, as amended.

The aforementioned condition precedent was fully satisfied by the Court of Auditors' granting of approval on 31 August 2026, following which the Agreement took full effect, with the transfer of the shares and payment of the purchase price having been completed on 7 September 2026 (**the "Closing Date"**).

This announcement is therefore made following the effective acquisition of the shares by Parpública, which was completed on the aforementioned Closing Date.

3. THRESHOLDS EXCEEDED

This notification is made as a result of the upward crossing of the 5% and 10% thresholds of voting rights in the Issuer, as provided for in Article 16(1) of the CVM.

Prior to the transaction, Parpública did not hold any shares representing REN's share capital; the stake now acquired corresponds to its entire holding in the company.

b) Percentage of share capital held: approximately 13.7 per cent;

d) Nature of the voting rights: the shares confer full voting rights;

e) Nature of the transaction: off-market share acquisition (*block trade*), settled via Interbolsa's securities settlement and registration system (SLRT), on a delivery-versus-payment basis.

5. ATTRIBUTION OF VOTING RIGHTS (Article 20 of the CVM)

Parpública is wholly owned by the Portuguese State. Pursuant to Article 20(1)(b) of the CVM, the voting rights held by Parpública are attributable to the Portuguese State, as the controlling entity.

For the purposes of determining the total position attributable to the Portuguese State in REN, it should be noted that there are no other entities controlled by the Portuguese State that hold shares in REN.

6. NO OBLIGATION TO LAUNCH A PUBLIC TAKEOVER BID

7. **NOTIFICATION TO THE CMVM**

In compliance with the provisions of Article 16(3) of the CVM, Parpública hereby informs that it has also notified the Portuguese Securities Market Commission (CMVM) of this acquisition of a qualifying holding.
