No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.
- 2.4 **Transfer of Registered Notes:** A Registered Note may, upon the terms and subject to the conditions set forth in the Agency Agreement, be transferred in whole or in part only (*provided that* such part is, or is an integral multiple of, the minimum Specified Denomination) upon the surrender of the Registered Note to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar or any Transfer Agent. For these purposes, a form of transfer or request for exchange received by the Registrar or a Transfer Agent after the Record Date in respect of any payment due in respect of Registered Notes shall be deemed not to be effectively received by the Registrar or a Transfer Agent until the day following the due date for such payment. For the purposes of these Terms and Conditions:

- (a) **"Relevant Banking Day"** means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar is located and, in the case only of an exchange of a Bearer Note for a Registered Note where such request for exchange is made to a Transfer Agent, in the place where the specified office of such Transfer Agent is located;
- (b) the **"exchange date"** shall be the Relevant Banking Day following the day on which the relevant Bearer Note shall have been surrendered for exchange in accordance with Condition 2.5; and
- (c) the **"transfer date"** shall be the Relevant Banking Day following the day on which the relevant Registered Note shall have been surrendered for transfer in accordance with Condition 2.4.

2.7 **No Charges upon Transfer or Exchange:** The issue of new Registered Notes on transfer or on the exchange of Bearer Notes for Registered Notes will be effected without charge by or on behalf of the Issuer, the Registrar or Transfer Agent, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer, the Registrar or such Transfer Agent may require in respect of) any tax, duty or other governmental charges which may be imposed in relation thereto.

2.8 **Transfer of Book-Entry Notes:** Title to the Book-Entry Notes is transferred upon registration in the relevant individual securities accounts held with an Affiliate Member of Interbolsa. Any Book-Entry Noteholder will (except as otherwise required by law) be treated as its absolute owner for all purposes and no person will be liable for so treating the Book-Entry Noteholder.

Any reference herein to Interbolsa, Euroclear or Clearstream, Luxembourg shall, wherever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms. The Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

3. STATUS OF THE NOTES

The Notes and any relative Receipts and Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 4 (*Negative Pledge*)) unsecured obligations of the relevant Issuer and rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured (subject to the provisions of Condition 4 (*Negative Pledge*)) and unsubordinated obligations of such Issuer from time to time outstanding.

4. NEGATIVE PLEDGE

So long as any of the Notes remain outstanding (as defined in the Agency Agreement) neither the Issuer nor, if REN B.V. is the Issuer, REN will create, save by operation of law, or have outstanding any mortgage, charge, lien, pledge or other security interest (each a **"Security Interest"**) other than any Permitted Security, as defined below, upon, or with respect to, any of its present or future business, undertaking, assets or revenues (including

any uncalled capital) to secure any Relevant Indebtedness (as defined below), unless the Issuer or, if the Issuer is REN B.V., REN, in the case of the creation of a Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that:

- (a) all amounts payable by the Issuer under the Notes and, if applicable, REN's obligations under the Keep Well Agreement, are secured by the Security Interest equally and rateably with the Relevant Indebtedness (in the case of Non-Book-Entry Notes, to the satisfaction of the Trustee); or
- (b) such other Security Interest or other arrangement (whether or not it includes the giving of a Security Interest) is provided as the Trustee, in the case of Non-Book-Entry Notes, shall in its absolute discretion deem not materially less beneficial to the interests of the Noteholders or, in the case of both Book-Entry and Non-Book-Entry Notes, which shall be approved by an Extraordinary Resolution (as defined in the Trust Deed in relation to Non-Book-Entry Notes and as defined in the Interbolsa Instrument in relation to Book-Entry Notes) of the Noteholders.

In these Terms and Conditions:

"Relevant Indebtedness" means (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities (not including for the avoidance of doubt, preference shares or other equity securities) which are for the time being, or are capable of being, quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market, and (ii) any guarantee or indemnity in respect of any such indebtedness.

"Permitted Security" means:

- (i) in the case of a consolidation or merger of REN with or into another company (the **"Combining Company"**) any Security Interest over assets of REN if it is the surviving company or the company (if other than REN) surviving or formed by such consolidation or merger *provided that*: (i) such Security Interest was created by the Combining Company over assets owned by it, (ii) such Security Interest is existing at the time of such consolidation or merger, (iii) such Security Interest was not created in contemplation of such consolidation or merger and (iv) the amount secured by such Security Interest is not increased thereafter; or
- (ii) any Security Interest on or with respect to assets (including but not limited to receivables) of the Issuer or, if the Issuer is REN B.V., REN, which is created pursuant to any securitisation or like arrangement in accordance with normal market practice and whereby the indebtedness secured by such Security Interest or the indebtedness in respect of any guarantee or indemnity which is secured by such Security Interest is limited to the value of such assets; or
- (iii) any Security Interest securing any indebtedness incurred in relation to any asset for the purpose of financing the whole or any part of the acquisition, creation, construction, improvement or development of such asset where the financial institutions to whom such indebtedness is owed have recourse solely to the applicable project borrower (where such project borrower is formed solely or principally for the purpose of the relevant project) and/or such asset (or any derivative asset thereof) and/or the shares held in such project borrower.

5. INTEREST

5.1 *Interest on Fixed Rate Notes*

Subject as provided in Condition 5.5 (if applicable) below, each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

Except as provided in the applicable Final Terms, the Interest Amount payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount set out in the applicable Final Terms. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If interest is required to be calculated for a period other than an Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction specified in the Final Terms, and rounding the resultant figure to the nearest sub-unit of the

relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In these Terms and Conditions, "**Day Count Fraction**" means, in respect of the calculation of an Interest Amount in accordance with this Condition 5.1:

- (i) if Actual/Actual (ICMA) is specified in the applicable Final Terms:
 - (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the Accrual Period) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - 1. the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - 2. the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if 30/360 is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Terms and Conditions:

"**Determination Period**" means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

"**sub-unit**" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

5.2 ***Interest on Floating Rate Notes (other than Floating Rate Notes referencing SONIA)***

(A) *Interest Payment Dates*

Subject as provided in Condition 5.5 (if applicable) below, each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an Interest Payment Date) which falls in the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (i) in any case where Specified Periods are specified in accordance with Condition 5.2(A)(ii) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (ii) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (iii) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (iv) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions:

"Additional Business Centre" means the city or cities specified as such in the relevant Final Terms.

"Book-Entry Noteholders" shall mean the holders of the Book-Entry Notes;

"Business Day" means a day which is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Additional Business Centre(s) specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and Lisbon and any Additional Business Centre(s)) and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively or (2) in relation to any sum payable in euro, a day on which the real time gross settlement system operated by the Eurosystem, or any successor system (the **"T2 System"**) is open.

"Non-Book-Entry Noteholders" shall mean the holders of the Non-Book-Entry Notes;

"Non-Book-Entry Notes" shall mean the Bearer Notes and the Registered Notes; and

"Noteholders" or **"Holders"** shall mean:

- (i) in the case of Bearer Notes, the holders of the Bearer Notes;
- (ii) in the case of Registered Notes, the persons in whose name the Registered Notes are registered; and
- (iii) in the case of Book-Entry Notes, the person in whose name a Book-Entry Note is registered in the relevant individual securities accounts held with an Affiliate Member of Interbolsa (as defined in Condition 21 (*Definitions*)) in accordance with Portuguese law and the relevant

Interbolsa procedures and, for the purposes of Condition 8 (*Taxation*), the effective beneficiary of the income attributable thereto;

and "**holder**" and "**holder of Notes**" and related expressions shall (where appropriate) be construed accordingly,

(B) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(i) Screen Rate Determination for Floating Rate Notes:

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

1. the offered quotation; or
2. the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (EURIBOR as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page specified in the applicable Final Terms (or such replacement page on that service which displays the information) as at 11.00 a.m. (Brussels time, in the case of EURIBOR (the "**Specified Time**")) on the Interest Determination Date specified in the applicable Final Terms in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Issue and Paying Agent (in the case of Non-Book-Entry Notes), the Portuguese Paying Agent (in the case of Book-Entry Notes) or, where the applicable Final Terms specify a Calculation Agent, the Calculation Agent so specified. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Issue and Paying Agent, the Portuguese Paying Agent or Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) or, as applicable, the relevant Calculation Agent, of such offered quotations.

If the Relevant Screen Page is not available, or if no offered quotation appears or fewer than three offered quotations appear, in each case as at the Specified Time, the Issuer shall appoint a Determination Agent and the Determination Agent shall request each of the Reference Banks to provide it with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Determination Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Determination Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Determination Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Determination Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Determination Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Determination Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered

rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the relevant Issuer suitable for the purpose) informs the Determination Agent it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

In these Terms and Conditions:

"Reference Banks" means, in the case of a determination of EURIBOR, the principal Euro-zone offices of four major banks in the Euro-zone inter-bank market, in each case selected by the Determination Agent; and

"Determination Agent" means a leading investment bank which is an active market participant in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), in each case as selected by the Issuer.

(ii) Linear Interpolation:

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and Linear Interpolation is specified in the applicable Final Terms as applicable in respect of an Interest Period, the Rate of Interest for that Interest Period shall be calculated by the Issue and Paying Agent (in the case of Non-Book-Entry Notes), the Portuguese Paying Agent (in the case of Book-Entry Notes) or, where the applicable Final Terms specify a Calculation Agent, the Calculation Agent so specified, by straight-line linear interpolation by reference to two rates (each determined in the same manner as set out above for the Reference Rate) which appear on the Relevant Screen Page specified in the applicable Final Terms as at 11.00 a.m. (Brussels time, in the case of EURIBOR) on the relevant Interest Determination Date specified in the applicable Final Terms, where:

- (A) one rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and
- (B) the other rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next longer than the length of the relevant Interest Period,

plus or minus (as indicated in the applicable Final Terms) the Margin (if any), **provided, however, that** if no rate is available for a period of time next shorter or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as the Issuer determines appropriate.

(C) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specify a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of Condition 5.2 above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of Condition 5.2 above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(D) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Issue and Paying Agent (in the case of Non-Book-Entry Notes), the Portuguese Paying Agent (in the case of Book-Entry Notes) or, where the applicable Final Terms specify a Calculation Agent, the Calculation Agent so specified, or, where applicable, the Determination Agent, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. The Calculation Agent, if any, will notify the Issue and Paying Agent or the Portuguese Paying Agent, as applicable, of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Issue and Paying Agent (in the case of Non-Book-Entry Notes), the Portuguese Paying Agent (in the case of Book-Entry Notes) or, where the applicable Final Terms specify a Calculation Agent, the Calculation Agent so specified, or, where applicable, the Determination Agent, will calculate the Interest Amount payable on the Floating Rate Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Day Count Fraction means, in respect of the calculation of an Interest Amount for any Interest Period:

- (i) if Actual/Actual (ISDA) or Actual/Actual is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if Actual/365 (Fixed) is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if Actual/365 (Sterling) is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if Actual/360 is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if 30/360, 360/360 or Bond Basis is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y_1 is the year, expressed as a number, in which the first day of the Interest Period falls;

Y_2 is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M_1 is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M_2 is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D_1 is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D_1 will be 30; and

D_2 is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D_1 is greater than 29, in which case D_2 will be 30;

- (vi) if 30E/360 or Eurobond Basis is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y_1 is the year, expressed as a number, in which the first day of the Interest Period falls;

Y_2 is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M_1 is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M_2 is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D_1 is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D_1 will be 30; and

D_2 is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D_2 will be 30;

- (vii) if 30E/360 (ISDA) is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y_1 is the year, expressed as a number, in which the first day of the Interest Period falls;

Y_2 is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M_1 is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M_2 is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D_1 is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D_1 will be 30; and

D_2 is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31 and in which case D_2 will be 30.

(E) *Notification of Rate of Interest and Interest Amounts*

The Issue and Paying Agent (in the case of Non-Book-Entry Notes), the Portuguese Paying Agent (in the case of Book-Entry Notes) or, where the applicable Final Terms specify a Calculation Agent, the Calculation Agent so specified, or, where applicable, the Determination Agent, will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee (in the case of Non-Book-Entry Notes), the Issue and Paying Agent or the Portuguese Paying Agent, as the case may be (if the Calculation Agent is an entity other than the Issue and Paying Agent or the Portuguese Paying Agent, as the case may be) and to any Stock Exchange or other relevant competent listing authority or quotation system on which the relevant Floating Rate Notes are for the time being listed, quoted and/or traded (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 15 (*Notices*) as soon as possible after their determination but in no event later than the fourth Lisbon Business Day thereafter in the case

of Book-Entry Notes or, in the case of Non-Book-Entry Notes, the fourth Lisbon and London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment or alternative arrangements will be promptly notified to each Stock Exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing or trading and to the Noteholders in accordance with Condition 15 (*Notices*). For the purposes of this paragraph, the expression Lisbon Business Day means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in Lisbon; and the expression London Business Day means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(F) *Benchmark Discontinuation*

Notwithstanding the foregoing provisions of this Condition 5.2 and in the case of SONIA-linked Notes to the operation of Condition 5.3, if REN (in consultation with the Calculation Agent (or the person specified in the relevant Final Terms as the party responsible for calculating the Rate of Interest)) determines that a Benchmark Event has occurred when the Rate of Interest (or any component part thereof) for any Interest Period remains to be determined by reference to such Reference Rate, then REN shall use its reasonable endeavours to appoint an Independent Adviser, no later than 5 Business Days prior to the Interest Determination Date relating to the next succeeding Interest Period to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 5.2(F)(ii)) and, in either case, an Adjustment Spread, (in accordance with Condition 5.2(F)(iii)) and any Benchmark Amendments (in accordance with Condition 5.2(F)(iv)).

For the avoidance of doubt, none of the Trustee (in the case of Non-Book-Entry Notes), the Issue and Paying Agent, the Portuguese Paying Agent, any Paying Agent, or the Calculation Agent (if applicable), shall be obliged to monitor or inquire whether a Benchmark Event has occurred or have any liability in respect thereof.

In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee (in the case of Non-Book-Entry Notes), the Issue and Paying Agent, the Portuguese Paying Agent or the Calculation Agent, as the case may be or the Noteholders for any determination made by it pursuant to this Condition 5.2(F).

- (i) If (a) REN is unable, having used its reasonable endeavours, to appoint an Independent Adviser or (b) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate and, in each case, an Adjustment Spread, in accordance with this Condition 5.2(F) prior to the date which is 3 Business Days prior to the relevant Interest Determination Date, the Reference Rate applicable to the immediate following Interest Period shall be the Reference Rate determined on the last preceding Interest Determination Date. If there has not been a first Interest Payment Date, the Reference Rate shall be the Reference Rate applicable to the first Interest Period. For the avoidance of doubt, any adjustment pursuant to this final paragraph of Condition 5.2(F) shall apply to the immediately following Interest Period only. Any subsequent Interest Period may be subject to the subsequent operation of this Condition 5.2(F).
- (ii) If the Independent Adviser determines in its discretion that:
 - (a) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 5.2(F)(iii)) subsequently be used in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for the immediately following Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 5.2(F); or
 - (b) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 5.2(F)(iii)) subsequently be used in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for the immediately following Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 5.2(F).

- (iii) If a Successor Rate or Alternative Rate is determined in accordance with Condition 5.2(F), the Independent Adviser shall determine an Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread). The Adjustment Spread shall apply to the Successor Rate or the Alternative Rate (as the case may be), subject to any subsequent further operation and adjustment as provided in this Condition 5.2(F).
- (iv) If any relevant Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 5.2(F) and the Independent Adviser determines in its discretion: (a) that amendments to these Conditions, the Trust Deed, the Interbolsa Instrument and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (b) the terms of the Benchmark Amendments, then REN and REN B.V. shall, subject to giving notice thereof in accordance with Condition 5.2(F)(v), without any requirement for the consent or approval of relevant Noteholders, vary these Conditions, the Trust Deed, the Interbolsa Instrument and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice. For the avoidance of doubt, the Trustee (in the case of Non-Book-Entry Notes), the Issue and Paying Agent or the Portuguese Paying Agent shall, at the direction and expense of REN, consent to and effect such consequential amendments to the Trust Deed (in the case of Non-Book-Entry Notes), the Interbolsa Instrument, the Agency Agreement and these Conditions as may be required in order to give effect to this Condition 5.2(F), subject to receipt by the Trustee (in the case of Non-Book-Entry Notes), the Issue and Paying Agent, the Portuguese Paying Agent or the Calculation Agent (if applicable) of the certificate referred to in Condition 5.2(F)(vi), *provided however*, that neither the Trustee (in the case of Non-Book-Entry Notes), the Calculation Agent nor the Issue and Paying Agent or the Portuguese Paying Agent shall be obliged so to concur if in the reasonable opinion of the Trustee (in the case of Non-Book-Entry Notes), the Calculation Agent or the Issue and Paying Agent or the Portuguese Paying Agent (as applicable) doing so would have the effect of imposing more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions in these Conditions, the Agency Agreement or the Trust Deed.
- (v) Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 5.2(F) will be notified promptly by the Issuer to the Trustee (in the case of Non-Book-Entry Notes), the Issue and Paying Agent or the Portuguese Paying Agent, the Calculation Agent (if applicable), the Paying Agents and, in accordance with Condition 15 (*Notices*), the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.
- (vi) No later than notifying the Trustee (in the case of Non-Book-Entry Notes), the Calculation Agent (if applicable), the Issue and Paying Agent or the Portuguese Paying Agent of the same, the Issuer shall deliver to the Trustee (in the case of Non-Book-Entry Notes), the Issue and Paying Agent or the Portuguese Paying Agent a certificate signed by two directors of the Issuer:
 - (a) confirming (x) that a Benchmark Event has occurred, (y) the relevant Successor Rate, or, as the case may be, the relevant Alternative Rate and, (z) where applicable, any relevant Adjustment Spread and/or the specific terms of any relevant Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 5.2(F); and
 - (b) certifying that the relevant Benchmark Amendments are necessary to ensure the proper operation of such relevant Successor Rate, Alternative Rate and/or Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without further enquiry and without liability to any person) as sufficient evidence thereof.
- (vii) The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of such Successor Rate or Alternative Rate and such Adjustment Spread and such Benchmark Amendments (if any)) be binding on the Issuer (and, if REN B.V. is the Issuer, REN), the Trustee (in the case of Non-Book-Entry Notes), the Issue and Paying

Agent or the Portuguese Paying Agent, the Calculation Agent (if applicable) and the Noteholders.

- (viii) Without prejudice to the obligations of REN and/or REN B.V., as appropriate, under Condition 5.2(F) (i), (ii), (iii) and (iv), the Reference Rate and the fallback provisions provided for in Condition 5.2(B) will continue to apply unless and until the Calculation Agent or the person specified in the Final Terms as the party responsible for calculating the Rate of Interest has been notified of the Successor Rate or the Alternative Rate (as the case may be), the applicable Adjustment Spread and Benchmark Amendments (if applicable), in accordance with Condition 5.2(F)(v).
- (ix) If, in the case of any Benchmark Event, any Successor Rate, Alternative Rate and/or Adjustment Spread is notified to the Issue and Paying Agent and the Portuguese Paying Agent or, as applicable, the Calculation Agent pursuant to Condition 5.2(F)(v), and the Issue and Paying Agent, the Portuguese Paying Agent or, as applicable, the Calculation Agent is in any way uncertain as to the application of such Successor Rate, Alternative Rate and/or Adjustment Spread in the calculation or determination of any Rate of Interest (or any component part thereof), it shall promptly notify the Issuer thereof and the Issuer shall direct the Issue and Paying Agent, the Portuguese Paying Agent or, as applicable, the Calculation Agent in writing (which direction may be by way of a written determination of an Independent Advisor) as to which course of action to adopt in the application of such Successor Rate, Alternative Rate and/or Adjustment Spread in the determination of such Rate of Interest. If the Issue and Paying Agent, the Portuguese Paying Agent or, as applicable, the Calculation Agent is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Issue and Paying Agent, the Portuguese Paying Agent or, as applicable, the Calculation Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so. For the avoidance of doubt, for the period that the Issue and Paying Agent, the Portuguese Paying Agent or, as applicable, the Calculation Agent remains uncertain of the application of the Successor Rate, Alternative Rate and/or Adjustment Spread in the calculation or determination of any Rate of Interest (or any component part thereof), the Reference Rate and the fallback provisions provided for in Conditions 5.2(F) will continue to apply.
- (x) If REN (in consultation with the Calculation Agent (or the person specified in the relevant Final Terms as the party responsible for calculating the Rate of Interest)) determines that a Benchmark Event has occurred when the Rate of Interest (or any component part thereof) for any Interest Period remains to be determined by reference to any Successor Rate or Alternative Rate, then REN shall use its reasonable endeavours to appoint an Independent Adviser, no later than 5 Business Days prior to the Interest Determination Date relating to the next succeeding Interest Period to determine a further Successor Rate, failing which a further Alternative Rate (in accordance with Condition 5.2(F)(ii)) and, in either case, a further Adjustment Spread, (in accordance with Condition 5.2(F)(iii)) and any further Benchmark Amendments (in accordance with Condition 5.2(F)(iv)), in each case as though references in this Condition 5.2(F) to the Reference Rate were references to such originally determined Successor Rate or Alternative Rate.

As used in this Condition 5.2(F):

"Adjustment Spread" means either a spread (which may be positive, negative or zero), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser determines is required to be applied to the relevant Successor Rate or the relevant Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (a) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (b) (if no such recommendation has been made, or in the case of an Alternative Rate), the Independent Adviser determines is customarily applied to the relevant Successor Rate or Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Reference Rate; or

- (c) (if no such determination has been made), the Independent Adviser determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (d) (if the Independent Adviser determines that no such industry standard is recognised or acknowledged) the Independent Adviser determines to be appropriate.

"Alternative Rate" means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 5.2(F)(ii) as customary in market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) in the Specified Currency.

"Benchmark Amendments" has the meaning given to it in Condition 5.2(F).

"Benchmark Event" means:

- (a) the relevant Reference Rate has ceased to be published for a period of at least five consecutive Business Days or more on the Relevant Screen Page as a result of such benchmark ceasing to be calculated or administered; or
- (b) the later of (A) the making of a public statement by the administrator of the relevant Reference Rate that it has ceased, or will, by a specified date, cease publishing such Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of such Reference Rate) and (B) the date falling six months prior to the date specified in (b)(A); or
- (c) the later of (A) the making of a public statement by the supervisor of the administrator of the relevant Reference Rate that such Reference Rate has been or will, by a specified date, be permanently or indefinitely discontinued and (B) the date falling six months prior to the date specified in (c)(A); or
- (d) the later of (A) the making of a public statement by the supervisor of the administrator of the relevant Reference Rate that such Reference Rate will, by a specified date, be prohibited from being used or that its use will be subject to restrictions or adverse consequences, either generally or in respect of the Notes and (B) the date falling six months prior to the date specified in (d)(A); or
- (e) the making of a public statement by the supervisor of the administrator of the relevant Reference Rate that, in the view of such supervisor, such Reference Rate is no longer representative or will no longer be representative of an underlying market; or
- (f) it has or will, by a specified date within the following six months, become unlawful for the Issue and Paying Agent, the Portuguese Paying Agent or the Calculation Agent to calculate any payments due to be made to any Noteholder using the relevant Reference Rate (as applicable) (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011, if applicable).

"Independent Adviser" means an independent financial institution of international repute or other independent financial adviser experienced in the international capital markets, in each case appointed by REN at its own expense under Condition 5.2(F)(i).

"Reference Rate" means the rate specified in the relevant Final Terms as being the Reference Rate and includes any component part thereof.

"Relevant Nominating Body" means, in respect of a benchmark or screen rate (as applicable):

- (A) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the benchmark or screen rate (as

applicable) relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof.

"Successor Rate" means a successor to or replacement of the Reference Rate which is formally recommended by any Relevant Nominating Body.

(G) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2, whether by the Issue and Paying Agent (in the case of Non-Book-Entry Notes), the Portuguese Paying Agent (in the case of Book-Entry Notes) or the Calculation Agent (if applicable) shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, REN (if the Issuer is REN B.V.), the Trustee and the Issue and Paying Agent (in the case of Non-Book-Entry Notes), the Portuguese Paying Agent (in the case of Book-Entry Notes), the Calculation Agent (if applicable), the other Paying Agents and all Noteholders and (in the absence of wilful default or bad faith) no liability to the Issuer, REN (if the Issuer is REN B.V.) or the Noteholders shall attach to the Issue and Paying Agent, the Portuguese Paying Agent, or, if applicable, the Calculation Agent, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 *Interest on Floating Rate Notes referencing SONIA*

This Condition 5.3 is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable and the "Reference Rate" is specified in the relevant Final Terms as being "SONIA".

Subject as provided in Condition 5.5 (if applicable) below, where "SONIA" is specified as the Reference Rate in the Final Terms, the Rate of Interest for each Interest Period will, subject as provided below, be Compounded Daily SONIA plus or minus (as specified in the relevant Final Terms) the Margin, all as determined by the Calculation Agent.

For the purposes of this Condition 5.3:

"Compounded Daily SONIA", with respect to an Interest Period, will be calculated by the Calculation Agent on each Interest Determination Date in accordance with the following formula, and the resulting percentage will be rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_i \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

"d" means the number of calendar days in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

"d_o" means the number of London Banking Days in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

"i" means a series of whole numbers from one to d_o, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

to, and including, the last London Banking Day in such period;

"Interest Determination Date" means, in respect of any Interest Period, the date falling "p" London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling "p" London Banking Days prior to such earlier date, if any, on which the Notes are due and payable);

"London Banking Day" or "LBD" means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

"ni" for any London Banking Day "i", in the relevant Interest Period or Observation Period (as applicable) is the number of calendar days from, and including, such London Banking Day "i" up to, but excluding, the following London Banking Day;

"Observation Period" means, in respect of an Interest Period, the period from, and including, the date falling "p" London Banking Days prior to the first day of such Interest Period (and the first Interest Period shall begin on and include the Interest Commencement Date) and ending on, but excluding, the date which is "p" London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling "p" London Banking Days prior to such earlier date, if any, on which the Notes become due and payable);

"p" for any Interest Period or Observation Period (as applicable), means the number of London Banking Days specified as the "Lag Period" or the "Observation Shift Period" (as applicable) in the relevant Final Terms or if no such period is specified, five London Banking Days;

"SONIA Reference Rate" means, in respect of any London Banking Day, a reference rate equal to the daily Sterling Overnight Index Average ("**SONIA**") rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or if the Relevant Screen Page is unavailable, as otherwise is published by such authorised distributors) on the London Banking Day immediately following such London Banking Day; and

"SONIA_i" means the SONIA Reference Rate for:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the London Banking Day falling "p" London Banking Days prior to the relevant London Banking Day "i"; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant London Banking Day "i";

For the avoidance of doubt, the formula for the calculation of Compounded Daily SONIA only compounds the SONIA Reference Rate in respect of any London Banking Day. The SONIA Reference Rate applied to a day that is a non-London Banking Day will be taken by applying the SONIA Reference Rate for the previous London Banking Day but without compounding.

If, in respect of any London Banking Day in the relevant Interest Period or Observation Period (as applicable), the Calculation Agent determines that the SONIA Reference Rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA Reference Rate shall be, subject to Condition 5.2(F) (*Benchmark Discontinuation*).

- (i) the Bank of England's Bank Rate (the "**Bank Rate**") prevailing at close of business on the relevant London Banking Day; plus the mean of the spread of the SONIA Reference Rate to the Bank Rate over the previous five London Banking Days on which a SONIA Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate; or
- (ii) if the Bank Rate is not published by the Bank of England at close of business on the relevant London Banking Day, (a) the SONIA Reference Rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding London Banking Day on which

the SONIA Reference Rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) or (b) if this is more recent, the latest determined rate under (i) above.

Subject to Condition 5.2(F) (*Benchmark Discontinuation*), if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition 5.3, the Rate of Interest shall be (A) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period) or (B) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to the Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin applicable to the first Interest Period).

If the Notes become due and payable in accordance with Condition 10 (*Events of default*) or are otherwise redeemed on a date which is not an Interest Payment Date, the final Interest Determination Date shall, notwithstanding the definition specified above, be deemed to be the date on which the Notes became due and payable or are to be redeemed (as applicable) and the Rate of Interest on the Notes shall, for so long as the Notes remain outstanding, be the rate determined on such date.

5.4 *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, if applicable, or, in the case of a Book-Entry Note presentation of the relevant Certificate in respect thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed (in relation to Non-Book-Entry Notes) and as provided in the Interbolsa Instrument (in relation to Book-Entry Notes).

5.5 *Step Up Event*

This Condition 5.5 (*Step Up Event*) applies to Notes in respect of which the relevant Final Terms indicate that the Step Up Event is applicable (the "**Step Up Sustainability-Linked Notes**"). The Rate of Interest for Step Up Sustainability-Linked Notes will be the Rate of Interest specified in, or determined in the manner specified in Condition 5.1 (*Interest on Fixed Rate Notes*), Condition 5.2 (*Interest on Floating Rate Notes (other than Floating Rate Notes referencing SONIA)*) or Condition 5.3 (*Interest on Floating Rate Notes referencing SONIA*), as applicable, and in the relevant Final Terms, provided that if a Step Up Event has occurred, then for the calculation of the Interest Amount with respect to any Interest Period commencing following the occurrence of a Step Up Event (excluding, if a Step Up Event has occurred on the first day of an Interest Period, such Interest Period), (i) the Rate of Interest in the case of Fixed Rate Notes, or (ii) the Margin in the case of Floating Rate Notes, shall be increased by the applicable Step Up Margin specified in the relevant Final Terms.

For the avoidance of doubt, the determination as to whether the condition set out in sub-paragraph (b) of each Sustainability-Linked Note Condition has been satisfied in respect of a Target Observation Date may only occur following the publication of the SLB Progress Report in respect of such Target Observation Date or, if later, following the Notification Deadline in respect of such Target Observation Date, as the case may be.

The Issuer will give written notice of the occurrence of a Step Up Event or satisfaction of the relevant Sustainability-Linked Note Condition, as specified in the relevant Final Terms, to the Trustee, to the Issue and Paying Agent or the Portuguese Paying Agent (as applicable), the Registrar (in the case of Registered Notes) and the Noteholders in accordance with Condition 15 (*Notices*) as soon as reasonably practicable after such occurrence and, in respect of a Step Up Event, by no later than the Step Up Date. Such notice shall be irrevocable and shall specify the Rate of Interest (in the case that of Fixed Rate Notes) or the Margin (in the case of Floating Rate Notes) and, in the case of a Step Up Event, the Step Up Margin and the Step Up Date.

For the avoidance of doubt, an increase in the Rate of Interest resulting from a Step Up Event may occur only once in respect of Step Up Sustainability-Linked Notes and the Step Up Margin will not subsequently be disappplied, reduced or increased, regardless of whether or not either the relevant Sustainability-Linked Note Condition is subsequently satisfied or ceases to be satisfied. Accordingly, if a Step Up Event occurs, the Rate of Interest, in the case of Fixed Rate Notes, or the Margin, in the case of Floating Rate Notes, shall be increased by the Step Up Margin from the Interest Period commencing following the occurrence of a Step Up Event (excluding, if a Step Up Event has occurred on the first day of an Interest Period, such Interest Period), but there

shall be no further change to the Step Up Margin regardless of whether or not either such condition is subsequently satisfied or ceases to be satisfied.

Neither the Trustee, the Issue and Paying Agent nor the Portuguese Paying Agent shall be obliged to monitor or inquire as to whether a Step Up Event has occurred or have any liability in respect thereof.

5.6 ***Redemption Premium Event***

This Condition 5.6 (*Redemption Premium Event*) applies to Notes in respect of which the relevant Final Terms indicate that the Redemption Premium Event is applicable (the "**Redemption Premium Sustainability-Linked Notes**"). If a Redemption Premium Event is specified in the relevant Final Terms as being applicable and a Redemption Premium Event has occurred, then upon redemption of any Redemption Premium Sustainability-Linked Notes in accordance with these Conditions, each such Redemption Premium Sustainability-Linked Note shall be redeemed at its applicable Redemption Amount plus the Redemption Premium Amount specified in the relevant Final Terms and applicable to such Redemption Premium Sustainability-Linked Notes and references to the applicable Redemption Amount in these Conditions shall be construed accordingly.

For the avoidance of doubt, the determination as to whether the condition set out in sub-paragraph (b) of each Sustainability-Linked Note Condition has been satisfied in respect of a Target Observation Date may only occur following the publication of the SLB Progress Report in respect of such Target Observation Date or, if later, following the Notification Deadline for such Target Observation Date, as the case may be.

The Issuer will give written notice of the occurrence of a Redemption Premium Event or satisfaction of the relevant Sustainability-Linked Note Condition, as specified in the relevant Final Terms, to the Trustee, to the Issue and Paying Agent or to the Portuguese Paying Agent (as applicable), the Registrar (in the case of Registered Notes) and the Noteholders in accordance with Condition 15 (*Notices*) as soon as reasonably practicable after such occurrence. Such notice shall be irrevocable.

For the avoidance of doubt, the application of the relevant Redemption Premium Amount may occur only once in respect of Redemption Premium Sustainability-Linked Notes and the relevant Redemption Premium Amount may not subsequently be disappplied, reduced or increased, regardless of whether or not either the relevant Sustainability-Linked Note Condition is subsequently satisfied or ceases to be satisfied.

Neither the Trustee, the Issue and Paying Agent nor the Portuguese Paying Agent shall be obliged to monitor or inquire as to whether a Redemption Premium Event has occurred or have any liability in respect thereof.

5.7 **Target Increase**

The Issuer shall have the right, in its absolute discretion, and without obligation, at any time to increase the Scope 1 and 2 Emissions Percentage Target, the Scope 3 (Purchased Goods and Services) Emissions Percentage Target and/or the Scope 3 (Use of Sold Products) Emissions Percentage Target with respect to the Sustainability-Linked Notes. The Issuer will give written notice of such increase to the Trustee, to the Issue and Paying Agent or to the Portuguese Paying Agent (as applicable), the Registrar (in the case of Registered Notes) and the Noteholders in accordance with Condition 15 (*Notices*) as soon as reasonably practicable (a "**Target Increase Notice**"). Any Target Increase Notice shall be unconditional and irrevocable (subject only to any subsequent Target Increase Notice further increasing the Scope 1 and 2 Emissions Percentage Target, the Scope 3 (Purchased Goods and Services) Emissions Percentage Target and/or the Scope 3 (Use of Sold Products) Emissions Percentage Target, if applicable) and shall specify the date on which any such increase is effective (the "**Target Increase Effective Date**"), which for the avoidance of doubt may be the date of the Target Increase Notice or such other date as may be specified. On the relevant Target Increase Effective Date, the increase of the Scope 1 and 2 Emissions Percentage Target, the Scope 3 (Purchased Goods and Services) Emissions Percentage Target and/or the Scope 3 (Use of Sold Products) Emissions Percentage Target, as applicable, will be effective and binding on the Issuer and the Noteholders.

By subscribing for, or purchasing, a Sustainability-Linked Note, each Noteholder shall be deemed to have agreed to, and accepted, any increase of the Scope 1 and 2 Emissions Percentage Target, the Scope 3 (Purchased Goods and Services) Emissions Percentage Target and/or the Scope 3 (Use of Sold Products) Emissions Percentage Target, as applicable, made in accordance with this Condition 5.7, without the need of any consent of the Noteholders.

In these Conditions:

"Assurance Provider" means, at any time, either (i) the external auditors of REN from time to time appointed by REN to audit REN's financial statements; or (ii) a qualified provider of third party assurance or attestation services, appointed by REN, with the expertise necessary to perform the functions required to be performed by the Assurance Provider under these Conditions, as determined in good faith by REN;

"GHG Protocol Standard" means the document titled *"The Greenhouse Gas Protocol, A Corporate Accounting and Reporting Standard (Revised Edition)"* (including all appendices thereto) published by the World Business Council for Sustainable Development and the World Resources Institute (as amended and updated as at the Issue Date of the first Tranche of the relevant Sustainability-Linked Notes);

"Notification Deadline" has the meaning given in the relevant Final Terms;

- (a) a methodology change that significantly impacts the Relevant Value, including updated emission factors, improved data access or updated calculation methods or protocols;
- (b) a correction of a data error or a correction of a number of cumulative errors that together have a significant impact; or
- (c) a structural change to the SLB Reporting Group that has a significant impact, including as a result of acquisitions, mergers or divestments or the outsourcing or insourcing of business activities

(the date of occurrence of each of the above, the **"Recalculation Date"**),

provided that, in respect of sub-paragraphs (a), (b) and (c) above, a qualified second party opinion provider appointed by REN reviews any recalculation or redetermination of the Relevant Value and confirms that it is in line with the initial level of ambition of, or more ambitious than, the original Relevant Value.

As of the Recalculation Date, the updated Relevant Value shall replace the original Relevant Value and any reference to the Relevant Value in these Conditions thereafter shall be deemed to be a reference to the updated Relevant Value, it being understood that in the absence of such confirmation by a qualified second party opinion provider the original Relevant Value shall continue to apply. By purchasing the Sustainability-Linked Notes, a Noteholder shall be deemed to have consented, for itself and any and all successors or assigns, and to have irrevocably authorised REN to make any such recalculation or redetermination without the prior consent or consultation of the Noteholders;

"Redemption Amount" means, as appropriate, the Final Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount, or such other amount in the nature of a redemption amount as may be specified in these Conditions or in the relevant Final Terms (including amounts payable in accordance with Condition 7.4 and 7.5). For the avoidance of doubt, in the case of Redemption Premium Sustainability-Linked Notes, no Redemption Premium Amount shall be payable in addition to the applicable Make-whole Amount since the calculation of the Make-whole Amount shall itself take into account any Redemption Premium Amount which may become payable as further described in Condition 7.3;

"Redemption Premium Amount" has the meaning given in the relevant Final Terms;

"Redemption Premium Event" means the occurrence of one or more of a Scope 1 and 2 Emissions Event and/or a Scope 3 (Purchased Goods and Services) Emissions Event and/or a Scope 3 (Use of Sold Products) Emissions Event, as specified in the relevant Final Terms;

(b) an assurance report issued by the Assurance Provider (the "**Assurance Report**") in respect of the then current Scope 1 and 2 Emissions Amount, Scope 1 and 2 Emissions Percentage, Scope 3 (Purchased Goods and Services) Emissions Amount, Scope 3 (Purchased Goods and Services) Emissions Percentage, Scope 3 (Use of Sold Products) Emissions Amount and Scope 3 (Use of Sold Products) Emissions Percentage, specified in the SLB Progress Report, as the case may be (including any recalculation or redetermination thereof as a result of a Recalculation Event and any Transaction Exclusion).

In order to comply with each of the Scope 1 and 2 Emissions Condition and/or the Scope 3 (Purchased Goods and Services) Emissions Condition and/or the Scope 3 (Use of Sold Products) Emissions Condition, the SLB Progress Report and the Assurance Report will be published no later than the Notification Deadline in relation to the relevant Target Observation Date, as applicable;

A **"Substantial Purchase Event"** shall be deemed to have occurred at the point in time at which at least 80 per cent. or such higher percentage as may be specified in the relevant Final Terms of the aggregate principal amount of the Notes of the relevant Series originally issued (which for these purposes shall include any further Notes of the same Series issued subsequently) is purchased by REN B.V., REN or any subsidiary of REN (and in each case is cancelled in accordance with Condition 7.10).

7.5 *Residual Maturity Call Option*

If a Residual Maturity Call Option is specified in the relevant Final Terms as being applicable, the Issuer may, on giving not less than 15 nor more than 30 days' notice (or such other period of notice as may be specified in the relevant Final Terms) to the Issue and Paying Agent and the Trustee (in the case of NCN Back Entry Notes) or the Portuguese Paying Agent (in the case of Book Entry Notes) and, in each case, in accordance with Condition 15 (*Notices*) the Noteholders (which notice shall specify the date fixed for redemption (the **"Residual Maturity Call Option Redemption Date"**))), redeem the Notes comprising the relevant Series, in whole but not in part, at their principal amount together with any accrued and unpaid interest up to (but excluding) the date fixed for

redemption, which shall be no earlier than (i) three months before the Maturity Date in respect of Notes having a maturity of not more than ten years or (ii) six months before the Maturity Date in respect of Notes having a maturity of more than ten years; or in either case, such shorter time period as may be specified in the Final Terms.

For the purpose of the preceding paragraph, the maturity of not more than ten years or the maturity of more than ten years (or such shorter maturity as may be specified in the Final Terms) shall be determined as from the Issue Date of the first Tranche of the relevant Series of Notes.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

7.6 ***Redemption at the option of the Holders of Notes (Investor Put)***

If Investor Put Option is specified in the applicable Final Terms, upon the Holder of any Note giving to the Issuer in accordance with Condition 15 (*Notices*) not less than 15 nor more than 30 days' notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount as specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the Holder of this Note must deliver (1) (in the case of Non-Book-Entry Notes in definitive form) to the specified office of any Paying Agent (other than the Portuguese Paying Agent) at any time during normal business hours of such Paying Agent falling within the notice period a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (other than the Portuguese Paying Agent); or (2) (in all other cases) in the case of Non-Book-Entry Notes, a notice to the Issue and Paying Agent or Transfer Agent or Registrar (as the case may be); or, in the case of Book-Entry Notes, a notice to the Portuguese Paying Agent, in accordance with the standard procedures of Euroclear, Clearstream, Luxembourg and/or Interbolsa (as applicable) or any common depositary or custodian for them stating the principal amount of the Notes in respect of which such option is exercised (a "**Put Notice**") in which the Holder must specify a bank account to which payment is to be made under this Condition together in the case of Bearer Notes with the Notes. Any Put Notice given by a Holder of any Note pursuant to this paragraph shall be irrevocable. No deposit of Notes will be required in respect of Book-Entry Notes. For Book-Entry Notes held through Interbolsa, the right to require redemption will be exercised directly against the Issuer, through the Portuguese Paying Agent.

7.7 ***Early Redemption Amounts***

For the purpose of Condition 7.2 above and Condition 10 (*Events of Default*), each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price of the first Tranche of the Series, at the Final Redemption Amount thereof;
- (ii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price of the first Tranche of the Series at the amount specified in the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or
- (iii) in the case of a Zero Coupon Note, at an amount (the "**Amortised Face Amount**") calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

"**RP**" means the Reference Price; and

"**AY**" means the Accrual Yield expressed as a decimal; and

y is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first

Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360.

7.8 Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 7.7.

7.9 Purchases

Such Notes may be held, reissued, resold or, at the option of the relevant Issuer and, if the Issuer is REN, B.V., REN or the relevant subsidiary (as the case may be), cancelled.

7.10 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes (together with all unmatured Receipts, Coupons and Talons cancelled therewith) purchased and cancelled pursuant to Condition 7.9 above shall be cancelled by Interbolsa (in the case of Book-Entry Notes) or the Issue and Paying Agent (in the case of Non-Book-Entry Notes) and cannot be held, reissued or resold.

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Issue and Paying Agent or the Trustee (in the case of Non-Book-Entry Notes) or the Portuguese Paying Agent (in the case of Book-Entry Notes), and notice to that effect has been given to the Noteholders in accordance with Condition 15 (*Notices*).

In that event, the Issuer will pay such additional amounts as may be necessary in order that the net amounts received by the holders of Notes, Receipts or Coupons after the withholding or deduction shall equal the respective amounts which would have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of the withholding or deduction; except that no additional amounts shall be payable in relation to any payment in respect of any Note, Receipt or Coupon:

- (vii) presented for payment in the case of Bearer Notes by or on behalf of a holder of Notes, Receipts or Coupons who would not be liable for or subject to the withholding or deduction by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or

For the purposes of this Condition 10:

"Group" means REN and its Subsidiaries;

"IFRS" means International Financial Reporting Standards adopted by the International Accounting Standards Board (IASB);

"Indebtedness for Borrowed Money" means any indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities or any borrowed money or any liability under or in respect of any bank loan or acceptance or acceptance credit;

"Material Subsidiary" means at any time any Subsidiary of REN:

- (a) whose total assets or revenues (consolidated in the case of a company which itself has subsidiaries) represent not less than 10 per cent. of the consolidated total assets or consolidated revenues of the Group taken as a whole, all as calculated by reference to the then most recent financial statements and in accordance with IFRS (consolidated or, as the case may be, unconsolidated) of that Subsidiary and the most recent consolidated financial statements of the Group; or
- (b) to which is transferred the whole or substantially the whole of the assets and undertaking of a Subsidiary which, immediately prior to such transfer, is a Material Subsidiary;

"Permitted Reorganisation" means a reorganisation, reconstruction, amalgamation, merger, consolidation or transfer of assets and/or activities between or among REN and its Subsidiaries (a **"Reorganisation"**), in each case where:

- (a) such Reorganisation does not result in any change to the legal status of REN as a limited liability company (*"Sociedade Anónima"* under the laws of the Portuguese Republic) or, in the case of Notes issued by REN B.V., any change to the legal status of REN B.V. (a private company with limited liability under the laws of The Netherlands (*besloten vennootschap met beperkte aansprakelijkheid*));
- (b) the aggregate amount of the assets of the Group owned, controlled or otherwise held, directly or indirectly, by REN, as determined by reference to the last publicly available audited consolidated financial statements of REN prior to the date of the first public announcement of such Reorganisation, is no less than the corresponding amount of assets owned, controlled or otherwise held, directly or indirectly, by REN following the date of completion of such Reorganisation; and
- (c) no internationally recognised rating agency has made any announcement or issued any notice to REN or REN B.V. or any other party to the effect that, as a result of the Reorganisation, it will downgrade, or is contemplating the possibility of downgrading, the rating it has previously assigned to the Notes (including the Notes being placed on a negative rating watch or a negative outlook being applied to the Notes) or REN; and

"Subsidiary" means an entity from time to time in respect of which REN (a) has the right to appoint the majority of the members of the board of directors or similar board or (b) owns directly or indirectly more than 50 per cent. of (i) the share capital or similar right of ownership or (ii) voting rights (by contract or otherwise).

10.3 **Reports**

A report by two directors of REN whether or not addressed to the Trustee that in their opinion a Subsidiary of REN is or is not or was or was not at any particular time or throughout any specified period a Material Subsidiary

may be relied upon by the Trustee without further enquiry or evidence and, if relied upon by the Trustee, shall, in the absence of manifest error, be conclusive and binding on all parties.

In respect of Non-Book-Entry Notes, in connection with Condition 10.1(iv) and (v) above, the Trustee shall be entitled to accept without any further enquiry (i) an opinion of independent legal advisers of recognised standing procured by the relevant Issuer to the effect that paragraph (a) of the definition of Permitted Reorganisation is satisfied and (ii) a certificate signed by two directors of the relevant Issuer confirming that paragraphs (b) and (c) of the definition of Permitted Reorganisation are satisfied as sufficient evidence that any operation falls within the definition of Permitted Reorganisation, in which event it shall be conclusive and binding on the Non-Book-Entry Noteholders.

11. ENFORCEMENT

11.1 *Enforcement by the Trustee*

In the case of Non-Book-Entry Notes, the Trustee may, at its discretion and without further notice, take such proceedings against the Issuer as it may think fit to enforce the obligations of the Issuer under the Trust Deed and the Non-Book-Entry Notes and any related Receipts or Coupons or the obligations of REN under the Keep Well Agreement, but it shall not be bound to take any such proceedings or any other action unless (a) it shall have been so directed by an Extraordinary Resolution of the Non-Book-Entry Noteholders or so requested in writing by the Holders of at least one-quarter in nominal amount of the Notes outstanding and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

11.2 *Limitation on Trustee actions*

The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or, if in its opinion based on such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

11.3 *Enforcement by Book-Entry Noteholders*

The Trustee may not, but the Book-Entry Noteholders may, at any time, take such proceedings against REN as they may think fit to enforce the provisions of the Book-Entry Notes and/or the Interbolsa Instrument.

11.4 *Enforcement by the Non-Book-Entry Noteholders*

Non-Book-Entry Noteholders shall not be entitled to proceed directly against REN B.V. or REN unless the Trustee, having become bound so to do, fails or is unable to do so within 90 days and such failure or inability is continuing.

12. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Non-Book-Entry Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of any Paying Agent (other than the Portuguese Paying Agent) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Non-Book-Entry Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below.

The Issuer is entitled (in the case of Non-Book-Entry Notes, with the prior written approval of the Trustee) to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, *provided that*:

- (i) in the case of Non-Book-Entry Notes there will at all times be an Issue and Paying Agent and, in respect of Registered Notes, a Registrar;

- (ii) in the case of Book-Entry Notes, there will at all times be a Portuguese Paying Agent;
- (iii) so long as any of the Book-Entry Notes are registered with Interbolsa there will at all times be a Paying Agent having a specified office in such place of registration and complying with any requirements that may be imposed by the rules and regulations of Interbolsa; and
- (iv) so long as any of the Notes are listed on any Stock Exchange or admitted to trading by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant Stock Exchange or as the case may be, other relevant authority.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and, in the case of Non-Book-Entry Notes, in certain limited circumstances, of the Trustee, and in all cases do not assume any obligation to, or relationship of agency or trust with, any Noteholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

14. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of any Paying Agent (other than the Portuguese Paying Agent) in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9 (*Prescription*).

15. NOTICES

All notices regarding the Notes will be deemed to be validly given if published in accordance with the rules and regulations of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading.

All notices regarding Bearer Notes will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the *Financial Times* in London. Notices to Holders of Registered Notes will be deemed to be validly given if sent by first class mail (or equivalent) or (if posted to an overseas address) by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the Register, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day.

The Issuer shall comply with disclosure obligations applicable to listed companies under Portuguese law in respect of Notices relating to the Book-Entry Notes, which are integrated in and held through Interbolsa in dematerialised form.

Any notice shall be deemed to have been given on the date of publication or, if so published more than once or on different dates, on the date of the first publication. In the case of Non-Book-Entry Notes, if publication as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

Notices to be given by any Noteholder shall be in writing and given by lodging the same either with the Issuer or with the Issuer and Paying Agent in the case of Non-Book-Entry Notes, or the Portuguese Paying Agent in the case of Book-Entry Notes.

16. MEETINGS OF HOLDERS OF NOTES

Non-Book-Entry Notes

The Trust Deed contains provisions for convening meetings of the holders of Non-Book-Entry Notes to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Non-Book-Entry Notes, the Receipts, the Coupons or any of the provisions of the Trust Deed. Such a meeting may be convened by REN B.V. or the Trustee and shall be convened by REN B.V. if required in writing by holders of Non-Book-Entry Notes holding not less than 10 per cent. in nominal amount of the Non-Book-Entry Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing more than 50 per cent. in nominal amount of the Non-Book-Entry Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing holders of Non-Book-Entry Notes whatever the nominal amount of the Non-Book-Entry Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Non-Book-Entry Notes, the Receipts, the Coupons or the Trust Deed (including modifying any date of payment, reducing or cancelling the amount of principal or the rate of interest payable in respect of Non-Book-Entry Notes or altering the currency of payment of the Non-Book-Entry Notes, the Receipts or the Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Non-Book-Entry Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Non-Book-Entry Notes for the time being outstanding. The Trust Deed provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Trust Deed by a majority consisting of not less than three-fourths of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the

holders of not less than three-fourths in nominal amount of the Non-Book-Entry Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders. An Extraordinary Resolution passed at any meeting of the holders of Non-Book-Entry Notes shall be binding on all the holders of Non-Book-Entry Notes, whether or not they are present at the meeting and on all holders of Receipts and Coupons.

The Trustee may agree, without the consent of the holders of Non-Book-Entry Notes, to:

- (A) any modification of the Non-Book-Entry Notes, the Receipts, the Coupons or the Trust Deed which is not, in the opinion of the Trustee, materially prejudicial to the interests of the holders of Non-Book-Entry Notes; or
- (B) any modification of the Non-Book-Entry Notes, the Receipts, the Coupons or the Trust Deed which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law.

The Trustee may also, without any consent as aforesaid, waive or authorise any breach or proposed breach by REN B.V. of any of the covenants or provisions contained in the Trust Deed, or determine that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such which, in any such case, is not in the opinion of the Trustee, materially prejudicial to the interests of the holders of Non-Book-Entry Notes.

Any such modification, waiver, authorisation or determination shall be binding on the holders of Non-Book-Entry Notes and, unless the Trustee agrees otherwise, any such modification shall be notified to the Noteholders in accordance with Condition 15 (*Notices*) as soon as practicable thereafter.

In addition, pursuant to Condition 5.2(F) (*Benchmark Discontinuation*), certain changes may be made to the interest calculation provisions of the Floating Rate Notes in the circumstances and as otherwise set out in such Condition, without the requirement for consent of the Trustee or the Noteholders.

In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorisation or determination), the Trustee shall have regard to the general interests of the holders of Non-Book-Entry Notes as a class but shall not have regard to any interests arising from circumstances particular to individual holders of Non-Book-Entry Notes (whatever their number) and, in particular, but without limitation, shall not have regard to the consequences of such exercise for individual holders of Non-Book-Entry Notes (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Holder be entitled to claim, from REN B.V. any indemnification or payment in respect of any tax consequence of any such exercise upon individual holders of Non-Book-Entry Notes except to the extent already provided for in Condition 8 (*Taxation*) and/or any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

17. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders to create and issue further Notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and the date on which interest starts to accrue, and so that the same shall be consolidated and form a single Series with the outstanding Notes of such Series. In relation to Non-Book-Entry Notes, the Trust Deed and, in relation to Book-Entry Notes, the Interbolsa Instrument, contain provisions for convening a single meeting of the Noteholders and the Holders of Notes of other series in certain circumstances where, in the case of Non-Book-Entry Notes, the Trustee so decides.

18. INDEMNIFICATION OF TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from any obligation to take proceedings to enforce repayment unless indemnified and/or secured and/or prefunded to its satisfaction. The Trust Deed provides that, when determining whether an indemnity or any security or pre-funding is satisfactory to it, the Trustee shall be entitled (i) to evaluate its risk in any given circumstance by considering the worst-case scenario and (ii) to require that any indemnity or security given to it by the Noteholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and

effectiveness of the security. The Trustee may enter into business transactions with the Issuer or any person or body corporate associated with the Issuer without accounting for any profit made or benefit received.

19. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

20. GOVERNING LAW AND SUBMISSION TO JURISDICTION

Each of REN B.V. and REN waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. The Noteholders may take any suit, action or proceedings (together referred to as "**Proceedings**") arising out of or in connection with the Notes against the Issuer in any Member State of the European Union in accordance with the Brussels Ia Regulation (in accordance with Chapter II, Sections 1 and 2 thereof) or of states that are parties to the Lugano II Convention (in accordance with Title II, Sections 1 and 2 thereof). To the extent allowed by law, Noteholders may take concurrent Proceedings in any number of competent jurisdictions in accordance with this Condition 20.

To the extent permitted by applicable law, REN irrevocably and unconditionally waives with respect to the Notes any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence and irrevocably and unconditionally consents to the giving of any relief or the issue of any process, including without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any Proceedings.

20.3 *Appointment of Process Agent*

Each of REN B.V. and REN appoints Law Debenture Corporate Services Limited at its registered office at 8th Floor, 100 Bishopsgate, London EC2N 4AG, United Kingdom, as its agent for service of process, and undertakes that, in the event of Law Debenture Corporate Services Limited ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. EVIDENCE OF ENTITLEMENT TO ATTEND AND VOTE

2. The following persons (each an Eligible Person) are entitled to attend and vote at a meeting of the holders of the Book-Entry Notes:
 - (a) a bearer of any voting certificate in respect of the Book-Entry Notes; and
 - (b) one or more persons (each a proxy) specified in a proxy letter issued by a bearer of, and accompanied with, any voting certificate in respect of the Book-Entry Notes.

CONVENING OF MEETINGS, QUORUM, ADJOURNED MEETINGS

3. The chairman of the general shareholders meeting of REN (**Chairman of Shareholders Meeting**) may at any time and, if required in writing by Holders holding not less than five per cent. in nominal amount of the Book-Entry Notes for the time being outstanding of a certain Series, shall convene a meeting of the Holders unless the Holders have appointed a common representative (**Common Representative**) in which case the meetings shall be convened by the Common Representative and if the Common Representative fails for a period of seven days to convene the meeting, the meeting may be convened by the Chairman of the Shareholders Meeting. Whenever the Common Representative or the Chairman of the Shareholders Meeting is about to convene any meeting it shall immediately give notice in writing to the Portuguese Paying Agent of the day, time and place (which need not to be a

physical place and instead may be by way of telephone or video conference or other telematics means, insofar it is ensured the authenticity of declarations and the safety of communications by registering their content and any persons involved) of the meeting and of the nature of the business to be transacted at the meeting.

4. At least 21 clear days' notice specifying the place, day and hour of the meeting shall be given to the Holders in accordance with Condition 15. The notice shall state generally the nature of the business to be transacted at the meeting and, in the case of an Extraordinary Resolution only, shall specify the terms of the Extraordinary Resolution to be proposed. The notice shall include statements as to the manner in which Holders may arrange for voting certificates or block voting instructions to be issued. A copy of the notice shall be sent by post to REN (unless the meeting is convened by REN). For the avoidance of doubt, the Portuguese Paying Agent shall only send a copy of the notice to REN in the event that it has received a notice as per paragraph 3 above.
5. The Chairman of the Shareholders Meeting or the Common Representative, as applicable, shall be entitled to take the chair at each meeting but if no nomination is made or if at any meeting the Chairman of the Shareholders Meeting or the Common Representative is not present within 15 minutes after the time appointed for holding the meeting the Holders present shall choose one of their number to be Chairman failing which REN may appoint a Chairman. The Chairman of an adjourned meeting (*reunião em segunda data*) need not be the same person as was Chairman of the meeting from which the adjournment took place.
6. At any meeting one or more Eligible Persons present and holding or representing whatever the nominal amount of the Book-Entry Notes for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a Chairman) shall be transacted at any meeting unless the required quorum is present at the commencement of business. The quorum at any meeting for passing an Extraordinary Resolution shall be one or more Eligible Persons present and holding or representing in the aggregate not less than 50 per cent. in nominal amount of the Book-Entry Notes for the time being outstanding.
7. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened by Holders be dissolved. In any other case it shall be adjourned (*convocada para segunda data*) for a period of 15 clear days (or if that day is a public holiday the next following business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall be adjourned (*convocada para segunda data*) for a period being not less than 15 clear days nor more than 42 clear days and at a place appointed by the Chairman). If within 15 minutes (or a longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chairman may either dissolve the meeting or adjourn it (*convocada para segunda data*) for a period, being not less than 15 clear days (but without any maximum number of clear days) and to a place as may be appointed by the Chairman (either at or after the adjourned meeting), and the provisions of this sentence shall apply to all further adjourned meetings.
8. At any adjourned meeting (*reunião em segunda data*) one or more Eligible Persons present (whatever the nominal amount of the Book-Entry Notes so held or represented by them) shall (subject as provided below) form a quorum and shall (subject as provided below) have power to pass any Extraordinary Resolution or other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the required quorum been present.

9. Notice of any adjourned meeting (*reunião em segunda data*) at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 21 were substituted for 15 in paragraph 4 and the notice shall state the relevant quorum. Subject to this it shall not be necessary to give any notice of an adjourned meeting (*reunião em segunda data*).

CONDUCT OF BUSINESS AT MEETINGS

10. Every question submitted to a meeting shall be decided in the first instance by a show of hands (to be confirmed orally if the meeting is by way of telephone). At any meeting, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or REN or by any Eligible Person present (whatever the nominal amount of the Book-Entry Notes held by him), a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.
11. Subject to paragraph 13, if at any meeting a poll is demanded it shall be taken in the manner and, subject as provided below, either at once or after an adjournment as the Chairman may direct and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
12. The Chairman may, with the consent of (and shall if directed by) the persons present at any meeting, adjourn the meeting from time to time and from place to place. No business shall be transacted at any adjourned meeting (*reunião em segunda data*) except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
13. Any poll demanded at any meeting on the election of the Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
14. Any director or officer of REN and its lawyers and financial advisers may attend and speak at any meeting. Subject to this, but without prejudice to the provision to the definition of **outstanding** in paragraph 1 of the Instrument, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of the Holders or join with others in requiring the convening of a meeting unless he is an Eligible Person. No person shall be entitled to vote at any meeting in respect of Book-Entry Notes held by, for the benefit of, or on behalf of REN. Nothing contained in this paragraph shall prevent any of the proxies named in any block voting instruction from being a director, officer or representative of or otherwise connected with REN.
15. Subject as provided in paragraph 14, at any meeting:
- (a) on a show of hands every Eligible Person present shall have one vote in respect of each Note; and
 - (b) on a poll every Eligible Person present shall have one vote in respect of each Note.

Without prejudice to the obligations of the proxies named in any block voting instruction, any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

16. The proxies named in any block voting instructions need not be Holders.
17. A meeting of the Holders shall in addition to the powers set out above have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 6 and 8), namely:

- (a) power to approve any compromise or arrangement proposed to be made between REN and the Holders or any of them;
 - (b) power to approve any abrogation, modification, compromise or arrangement in respect of the rights of the Holders against REN or against any of its property whether these rights arise under this Agreement, the Book-Entry Notes or otherwise;
 - (c) power to agree to any modification of the provisions contained in this Agreement or the Conditions or the Book-Entry Notes which is proposed by REN;
 - (d) power to give any authority or approval which under the provisions of this Schedule or the Book-Entry Notes is required to be given by Extraordinary Resolution;
 - (e) power to approve the substitution of any entity in place of REN (or any previous substitute) as the principal debtor in respect of the Book-Entry Notes; and
 - (f) power to resolve on any Reserved Matter.
18. Any resolution passed at a meeting of the Holders duly convened and held in accordance with the provisions of this Schedule shall be binding upon all the Holders whether present or not present at the meeting and whether or not voting and whether or not voting in favour and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing. Notice of the result of voting on any resolution duly considered by the Holders shall be published in accordance with Condition 15 by REN within 14 days of the result being known provided that non-publication shall not invalidate the resolution.
19. The expression **Extraordinary Resolution** when used in this Schedule means (a) a resolution passed at a meeting of the Holders duly convened and held in accordance with the provisions of this Schedule by (i) in the case of any meeting (other than an adjourned meeting), a majority consisting of not less than 50 per cent. of the aggregate principal amount of the Book-Entry Notes then outstanding; and (ii) at any adjourned meeting, by a majority consisting of at least two-thirds of the votes given whether on a show of hands or on a poll or (b) a resolution in writing signed by or on behalf of all the Holders, which resolution in writing may be contained in one document or in several documents in similar form each signed by or on behalf of one or more of the Holders.
20. The expression **Reserved Matter** when used in this Schedule means any proposal: (i) to change any date fixed for payment of principal or interest in respect of the Book-Entry Notes of all or of a given Series, (ii) to reduce the amount of principal or interest due on any date in respect of the Book-Entry Notes of all or of a given Series or to alter the method of calculating the amount of any payment in respect of the Book-Entry Notes of all or of a given Series on redemption or maturity; (iii) to effect the exchange, conversion or substitution of the Book-Entry Notes of all or of a given Series into, shares, bonds or other obligations or securities of REN or any other person or body corporate formed or to be formed; (iv) to change the currency in which amounts due in respect of the Book-Entry Notes of all or of a given Series are payable; (v) to alter the priority of payment of interest or principal in respect of the Book-Entry Notes of all or of a given Series; (vi) to amend this definition; and (vii) any other changes to the conditions of the credits held by the Holders.

Minutes of all resolutions and proceedings at every meeting shall be made and duly entered in books to be from time to time provided for that purpose by REN and any minutes signed by the Chairman of the meeting at which any resolution was passed or proceedings had shall be conclusive evidence of the matters contained in them and, until the contrary is proved, every meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had at the meeting to have been duly passed or had.
